The Vancouver Sun Run is one of (if not the) largest 10km competitive race/walk in North America. For the first time ever a group of UBC Anthropology students and faculty joined forces to enter a team. Each Monday since mid-January our team would meet as a group and go for a run in and around UBC's Pacific Spirit Park. Some of us will be continuing our weekly meetings. Everyone is welcome. We look forward to expanding our team next year and having even more fun while we do it!
